PAYMENT OF ASSOCIATE FELLOWS' (AFAS) DUES

The College has observed that residents do not pay their annual Associate Fellows' (AFAS) fees as and when due. Very often only those residents registering for the Parts I and II examinations make this payment with their examination fees. Some even pay at the venue of the examination.

By this notice, all residents (Junior and Senior) are required to pay their AFAS (N5,000.00) annually from 2010) before the end of January of each year. Furthermore at any point in time a new resident joins the programme the fee should be paid.

Late payment would attract 100% penalty.

Residents should visit the College web site for further information.
