

NATIONAL POSTGRADUATE MEDICAL COLLEGE OF NIGERIA

CHANGE OF DATES FOR PRIMARY AND STAGE 1 OF PART 1 FELLOWSHIP EXAMINATIONS IN MARCH 2014

The College has decided to move the advertised dates for the Primary and Stage 1 of Part 1 Fellowship examinations by one week backwards in deference to Sister Colleges in the West African subregion who moved their examinations backwards because of the Easter holidays in April, 2014 leading to a clash with our statutory dates.

The Examinations will now hold as follows:

1. PRIMARY EXAMINATIONS IN 8 CENTRES ON WEDNESDAY 19TH MARCH 2014.
2. STAGE 1 OF PART 1 EXAMINATIONS IN 3 ADVERTISED CENTRES ON THURSDAY 20TH MARCH 2014.

All other details are as advertised on our website www.npmcn.edu.ng and in the Guardian and Daily Trust Newspapers of 27th December, 2013.

All candidates are to be guided accordingly.
